February 2020

-

February 2022

Freelance Graphic Designer

Soundstream Multimedia Oshawa, On.

Designed social media ads and online posters to promote Soundstream Multimedia's services. Created designs for logos for various clients, creating a graphic identity to represent businesses or create the design for a brand identity or designs that can help to support brands for small businesses and private individuals.

January 2019

June 2019

Graphic Design Intern

Telegraph Road Entertainment Toronto, On.

Was responsible for creative development of children's educational books. Worked along with the editors laying out the desired content in Adobe InDesign, applying typography, graphic elements and information hierarchy. Continued to build on this adding additional instructional, thematic, and stylistic graphics utilizing a combination of Adobe InDesign and Illustrator.

Summer 2018

Graphic Design Intern

Soundstream Multimedia Oshawa, On.

Designed flyers and web banners for commercial advertising. Also engaged in the design and development of vinyl press cut outs for heat pressing on to apparel.

EDUCATION

September 2017

April 2019

Graphic Design Student

Durham College Oshawa, On.

Learned the art of graphic design, honing and perfecting the skills needed to perform in a future workplace setting.
